SAFI Institute of Advanced Study (Autonomous), one of the premier Higher Education Institutions in the state of Kerala was established in 2005 by the Social Advancement Foundation of India (SAFI), a Non-profitable Charitable Trust. It offers 15 UG and 8 PG programmes in Arts, Science, Commerce, Management, Media studies and Artificial Intelligence. It is affiliated to University of Calicut and recognised by Government of Kerala and University Grants Commission (UGC) under 2(f). The college has been granted autonomy for a period of ten (10) years from the academic year 2024-2025 to 2033-2034.

The Department of Biotechnology established in 2005, is equipped with state-of-the-art laboratories designed for in vitro plant regeneration (Banana plant regeneration), Hydroponics and Aeroponics, Molecular biology, and Computational biology. The department boasts a team of faculty members with expertise in plant biology, molecular neurobiology, proteomics, computational biology and cancer biology.

The department has received research grants from the Kerala State Council for Science, Technology, and Environment (KSCSTE) to support research projects conducted by undergraduate and postgraduate students. Additionally, research-oriented training programs have been an integral part of the teaching curriculum for many years.

BIOBLITZ

The Department of Biotechnology is proud to host a two-day program celebrating the International Day of Women and Girls in Science. This event aims to inspire and empower young minds by showcasing the contributions of women in science through sessions lead by prominent women in different fields of science and also an engaging exhibition for school students. Alongside the exhibition, a variety of competitions will be held to spark creativity and scientific curiosity among participants. Join us in celebrating innovation, knowledge, and the future of science !
